

## SADRC NET SCRIPT

This is (Name) \_\_\_\_\_, (Call) \_\_\_\_\_ and I will be Net Control Station (NCS) for the Texas SADRC known as the San Antonio Digital Radio Club. I am located in (city) \_\_\_\_\_, Texas.

We are a System Fusion repeater network originating from San Antonio, TX but not limited to any geographic area.

The SADRC Fusion Net meets every Wednesday evening with early Check-In beginning at 6:45. Net officially begins at 7:00 PM Central time. The format is a Topic and Tech net. (note to NCS: or free form Round Table if no topic)

The purpose of the net is to reconnect with one another weekly, share amateur related information, engage one another, answer technical questions, and sometimes just have fun topics!

Texas SADRC network currently consists of 24 plus repeaters operating across Texas. There are multiple clubs that makeup wide area repeater system. You can find the repeater information on our website at [sadrc.net](http://sadrc.net)

We are actively engaged in C4FM Fusion and operate on Yaesu Wires X room # 40324 (SADRC), YSF Reflector US TEXAS SADRC #40324 same as our Wires X room.

### Announcements

Before we get started on check In's, Are there any general announcements for the group? Are there any net announcements for other repeater groups? (note: anything club related here) Others may have announcements as well. How about nets from other repeater clubs? Upcoming hamfest, VE Testing Sites etc. Recognizing other Clubs/repeaters checked in. MIN WIS on Monday nights or other nets.

### Net Structure

This is a Directed net with the following net procedures:

04/2025

Please contact call Net Control and give your **Call Sign, Name, and location**. We will acknowledge check In's and go down the list and then call on you.

If you wish to check in but can't stay the entire net, just state your call sign, name, and that that you are "In and Out" We will log you but will not call on you again unless you recheck.

We like to recognize our mobile check In's or International stations first. If you are mobile or international, please call now.

We will use the following format for Check-In's. Stations with Call Sign suffixes Call signs beginning with:

Alpha – Hotel

India – Papa

Quebec - Zulu

I will now take Check-In's with suffixes (use one of three above)

Any Stations who have not checked in please contact net control now with your Call Sign, Name, and Location.

Close Net

Great Net this evening!

We had # of stations Checking in this evening!

I would like to thank you everyone for spending time with us on this evening on Texas SADRC net

Please follow us on our website at SADRC.net or on our [sadrc@groups.io](mailto:sadrc@groups.io) page once you become a member. Membership is free.

We will hang out for a few minutes after the net for direct contact discussions.

The next scheduled net will be next Wednesday at 6:45 PM Central time  
for early Check-In with a net start of 7:00 PM

This is (callsign) \_\_\_\_\_ , closing the net at (Provide the Time) wishing  
you 73 and catch you next Wednesday at 7:00 PM Central Time.

Please allow One (1) minute to allow repeater operators wishing to  
disconnect from the network time to do so.

Your option. Close Netlogger!!!!
